**RE: David Braun v. Equifax Information Services LLC et al.**  
**Case No.: 7:21-cv-05702-NSR-AEK**

Dear Judge Krause,

This firm represents Plaintiff in the above-referenced matter and request an informal conference with the Court to resolve a discovery dispute.

Plaintiff served discovery demands on Defendant Dovenmuehle Mortgage, Inc. (DMI) on April 13, 2022. After a number of extensions and requests for more time, and multiple emails every few days since the responses were due as well as some phonecalls, DMI's responses are well overdue.

I have tried to wait to bring the instant request for a pre-motion conference to resolve a discovery dispute because DMI's counsel has had, and continues to have, a number of personal crises that he is dealing with for different family members. However, with discovery deadlines soon approaching, I could not let this linger. I would be amenable to giving opposing counsel more time if necessary, so long as the various case deadlines are extended and so long as we get a firm date for final discovery responses.

We thank the Court for its kind courtesy and consideration.

Sincerely,  
*s/ Eliyahu Babad*
